## **Demystifying Blockchain**

Considering the importance of blockchain in the present context, MVLCO is pleased to announce one-day workshop on Demystifying Blockchain.

The session helps you gain a better understanding of blockchain's technical underpinnings, creation and formation of blocks and its practical applications in the real world.

### **What's in it for you?**

On completion of the session, you will have understanding of:

- Introduction to Blockchain
- Fiat to Bitcoin
- Easing into Ethereum
- Building blocks of Blockchain – Decentralization, Consensus (POW, POS, PDFT), Cryptography (Security), Provenance, Immutability, Finality – Data Integrity, Smart Contracts, Merkle Tree
- Blockchain hands on demo – How Blockchain works, Block, Hash, Lifecycle of a Blockchain
- Blockchain Actors – Developer, Operator, Regulator, User
- Business Network Topology – Regulation, Stake Holders, Entities, Infrastructure Providers, Decentralized Storage (IPFS etc.)

**To register for the course or to know more, please send an email to [info@mvlco.com](mailto:info@mvlco.com) or call +91-9764835350.**

All our training programs are also available in-house. To arrange an in-house program please contact us on:

**+91-9764835350  
or email on:  
[info@mvlco.com](mailto:info@mvlco.com)**

### **MVL Consulting Private Limited**
